Train Your Brain: How To Build a Million Dollar Business in Record Time

What is Train Your Brain?

Most people mistakenly think the "actions" they take bring them success, but in reality your business can only grow as big as your mindset. But what does that mean?

Contrary to popular belief, having a positive mindset doesn't mean getting pumped up and bouncing off the walls with enthusiasm. In Train Your Brain, Dana Wilde explains you how to become aware of your thoughts, so you identify the **reason** you are getting the results you are getting in your business. Then more importantly, she teaches you how to change your thoughts quickly and easily, so in turn your results change quickly and easily.

Train Your Brain will benefit your Audience Members who:

- have been using "hard work" as their method to success;
- know what they are supposed to be doing, but can't seem to make themselves do it;
- love their product or service, but have lost their mojo;
- would like more consistency in their income;
- can't seem to get their business started;
- are having financial trouble in this economy;
- feel like they are doing everything right, but are not getting results;
- want their business to grow faster!

By the time the event is finished, your audience will:

- know exactly why they are getting the results they are getting;
- have had at least three "aha" moments;
- understand WHY "what you think about it what you get";
- realize they are NOT sabotaging themselves;
- have at least one Mindware Experiment they can implement immediately;
- realize that their brain is their biggest tool for success;
- know how to feel more hopeful in any moment;
- discover a positive mantra that feels right;
- learn how to use affirmations without feeling like they're lying to themselves;
- know how to start growing their businesses more quickly right now!
