

DANA WILDE

Author, Speaker, Brain Trainer

DANA WILDE'S BIO

Dana Wilde Short Bio:

After growing her own business from zero to a million dollars a year in under 19 months, Dana Wilde now teaches others how to do the same. With nearly 100,000 followers in 68 countries, Dana is the bestselling author of *Train Your Brain* and featured in the movies, *The Abundance Factor* and *True Prosperity*.

Fascinated by neuroscience and the power of the mind, she affects lives daily on *The Mind Aware Show*, where she interviews thought leaders, brain scientists, and celebrities about how to intentionally think wealthier, happier, and healthier thoughts.

Dana Wilde Long Bio:

Dana Wilde is the bestselling author of *Train Your Brain*. With nearly 100,000 followers in 68 countries, Dana is an expert at training brains and changing lives.

Dana is a trusted authority in creating positive mindset and fast business growth for entrepreneurs, sales professionals and corporate leaders. Dana Wilde knows how to stimulate brain power for personal and professional achievement in individuals and teams everywhere.

Her bestselling book, *Train Your Brain*, contains 20 “mindware experiments” utilized by top income producers from a variety of industries to rapidly increase their business growth.

She is the founder and CEO of *The Mind Aware*, an organization currently helping thousands of entrepreneurs, small-business owners, and independent professionals to grow their businesses in record time.

As the host of *The Mind Aware Show*, heard by hundreds of thousands of small business professionals worldwide, Dana interviews celebrity experts on positive mindset and cutting edge marketing strategies for entrepreneurs. *The Mind Aware Show* is one of the fastest growing podcasts on iTunes.

When she's not unraveling the mysteries of the brain, Dana is passionate about helping animals, playing baritone ukulele, practicing Kundalini yoga ... and she's a raw food wannabee who can't shake nachos.
